

CHAIRMAN'S REPORT Q4 2016

The Board of Directors at *AML Foods Limited* announced results for the fourth quarter ended April 30, 2017 reflecting a net profit of \$2,078m after pre-opening costs of \$78 compared to \$1,564m for the same period in the previous year. Sales for the quarter were \$39,946m compared to \$39,052m an increase of 2.29% for the same period in the prior year.

We are pleased to record another positive quarter in sales. Our performance is being driven by improvements in our operating profits arising from steady sales increases and a reduction in shrink, as well as management of expense lines for same stores. Traffic counts remain strong as we continue to drive value and quality for our customers.

Construction on Solomon's Yamacraw is progressing well. We are nearing the end of our building construction phase and moving into the equipment installation and final interior finishes phase. We remain on schedule for a fall 2017 opening, and we are looking forward to this new opportunity to give the residents of eastern New Providence the same quality products and excellent service that our other customers enjoy. With the addition of the new store, we expect to see continued sales growth and earnings for our shareholders.

Based on our quarter results, the Board of Directors have approved an ordinary dividend payment of \$0.02 per share, payable on June 30, 2017 to shareholders on record as of June 23, 2017.

We thank our loyal customers, dedicated staff and shareholders for their continued support of *AML Foods Limited*.
