## NOTICE OF FILING EXTENSION

Notice is hereby given that The Bahamas International Securities Exchange (BISX) has granted an extension for the filing of the unaudited interim financial statements for the quarter ended 31st October 2017. The extension was requested as a result of the implementation of a new integrated system to improve our administrative and operational efficiency. The implementation has caused a delay in producing our unaudited interim financial statements by the prescribed deadline of 15th December 2017.

The interim financial statements for Focol Holdings Limited will be submitted to BISX and published in the newspaper on or before 31st January 2018.
